

IN THE UNITED STATES DISTRICT COURT FOR THE
WESTERN DISTRICT OF MISSOURI
WESTERN DIVISION

UNITED STATES OF AMERICA,

Plaintiff,

v.

KALEB ACUNA,

Defendant.

Case No. 23-000148-03-CR-W-DGK

PLEA AGREEMENT

Pursuant to Rule 11(c)(1)(B) of the Federal Rules of Criminal Procedure, the parties described below have entered into the following plea agreement:

1. The Parties. The parties to this agreement are the United States Attorney's Office for the Western District of Missouri (otherwise referred to as "the Government" or "the United States"), represented by Teresa A. Moore, United States Attorney, and David A. Barnes, Assistant United States Attorney, and the defendant, KALEB ACUNA ("the defendant"), represented by Anthony Bologna.

The defendant understands and agrees that this plea agreement is only between him and the United States Attorney for the Western District of Missouri, and that it does not bind any other federal, state, or local prosecution authority or any other government agency, unless otherwise specified in this agreement.

2. Defendant's Guilty Plea. The defendant agrees to and hereby does plead guilty to Count One of the Indictment, in violation of Title 18, United States Code, Sections 933)(1) and (3) and (b), that is conspiracy to transfer firearms when their transfer would constitute a felony. Defendant further agrees to and hereby does plead guilty to Count Two of the Indictment charging

him with a violation of 21 U.S.C. § 841(a)(1) and (b)(1)(A), that is, conspiracy to knowingly and intentionally distribute and possess with the intent to distribute 500 grams and more of a mixture or substance containing a detectable amount of Cocaine, a Schedule II controlled substance, in violation of Title 21, United States Code, Sections 841(a)(1), (b)(1)(B) and 846. By entering into this plea agreement, the defendant admits that he knowingly committed these offenses, and is in fact guilty of these offenses.

3. Factual Basis for Guilty Plea. The parties agree that the facts constituting the offenses to which he is pleading guilty are as follows:

From on or about March 1, 2023, to on or about May 31, 2023, in the Western District of Missouri, the defendant, and his codefendants, did knowingly and intentionally combine, conspire, confederate and agree with each other, and with others both known and unknown, to ship, transport, transfer, cause to be transported, or otherwise dispose of firearms, to wit the at least, following firearms:

*Anderson AM-15, multi-cal semiautomatic pistol, bearing serial # 22104043

*Polymer80, Model PF940SC 9 mm pistol, bearing no serial number converted to a machinegun

*Polymer80 pistol, bearing no serial number, with an uninstalled Machinegun Conversion Device (MCD)

*Anderson AM-15, multi-cal semiautomatic pistol, bearing serial #22104026 converted to a machinegun

*Anderson AM-15, multi-cal semiautomatic pistol, bearing serial #22104040 converted to a machinegun

*Glock, Model 22, .40 caliber pistol, bearing serial number MSE914 converted to a machinegun

*DPMS, Model A-15, multi caliber, bearing serial number N0000786 converted to a machinegun

*Anderson, AM-15, multi caliber firearm, bearing serial number 22114018 converted to a machinegun

*Anderson, AM-15, multi caliber firearm, bearing serial number 22055738
converted to a machinegun

More specifically, on 3/31/2023, ATF Agents met with CI who advised Kaleb ACUNA was willing to meet an ATF Undercover Agent (UC) and sell the UC a firearm and marijuana. The CI and UC contacted ACUNA who advised he had an AR15 pistol and ¼ pound of marijuana ACUNA was willing to sell for \$1325.00. ACUNA also indicated that he could make the AR15 pistol full auto. An ATF Special Agent searched CI prior to the deal and did not locate any contraband. Shortly after, CI and UC drove to the 2400 block of Poplar Avenue, KCMO where they met with ACUNA inside the residence. ACUNA proceeded to sell the UC ¼ pound of marijuana and an Anderson, AM-15, multi-cal, semi-automatic pistol, bearing serial number 22104043. In exchange, the UC provided ACUNA with \$1325.00 US Currency "buy money." Shortly after, UC and CI departed the residence. The ATF Special Agent spoke with the CI who advised ACUNA did not want to sell the UC the "Switch" which would have converted the AR15 pistol into full auto because ACUNA did not know the UC and did not trust the UC.

On 4/18/2023, ATF Agents met with CI for the purpose of conducting another controlled purchase from Co-Defendant Bonhomme that was set up by Co-Defendant Zavala. This time, CI advised Zavala was going to sell the CI ½ ounce of cocaine and 2 AR15 machine guns from at the residence of 700 Block of Newton Avenue, KCMO. Prior to the deal, CI was searched for contraband with nothing found. CI was also provided with \$2500.00 "buy money" and equipped with audio recording equipment which captured audio during the controlled purchase. Upon arriving at the residence, the CI was able to enter the residence where CI met with Co-Defendants Bonhomme and Zavala and ACUNA inside the residence. CI provided Zavala with the \$2500.00 buy money, and in exchange Zavala gave the CI two AR15 pistols with MCDs installed (which converted the AR15 pistols into full-auto pistols) and 14.7 grams of cocaine. At the conclusion of the transaction, the CI met with ATF Agents and provided the two AR-15 Type pistols with MCDs installed and 14 grams of cocaine. Fourteen rounds of 5.56x39 caliber ammunition were located within the magazine of one of the AR15 pistols. The CI's person and vehicle were searched for contraband by ATF Agents with nothing being located. The CI was also interviewed by an ATF Special Agent and advised that both Bonhomme and Zavala handled the firearms and cocaine that were sold to CI while ACUNA stood guard there and watched. CI advised before Zavala gave CI the AR15 pistols, Zavala installed a "Switch" (Swift Link MCD) inside each AR15 pistol to convert them to machineguns. Also, CI said Bonhomme weighed out the cocaine and handed it to Zavala who in turn provided it to CI. The 14.7 grams of cocaine were later tested and showed a positive hit for the presumptive presence of cocaine. Also, both AR15 pistols were field tested and confirmed to function as full auto machineguns. These firearms were identified as an Anderson, model AM-15, multi caliber, full-auto pistol, bearing serial number 22104026, and an Anderson, model AM-15, multi caliber, full-auto pistol, bearing serial number 22104040.

On 5/7/2023, fixed surveillance was conducted on ACUNA's residence on Poplar Avenue. At 3:25 am, a silver 4 door sedan pulled up to the curb just past the residence. The vehicle just sat there until 5:05 am when all four doors suddenly opened, and four unknown individuals jumped out of the car and ran up to the front door. They immediately went inside. One minute later at 5:06 am, all four came running out of the residence. (There was a female with a white shirt that

also ran out with them and got into a white sedan parked out front). The four appeared to run to the black Camaro parked in the driveway for a moment, but then they all started running toward their vehicle and appeared to shoot handguns towards the residence. They got in their vehicle and drove off. The female in a white shirt ran back towards the house and attempted to assist another female who came out of the residence. This female fell to the ground. ACUNA came out of the residence and assisted this female into the white vehicle. The female with a white shirt got in the driver's seat and they drove to the hospital.

ACUNA spent the next several minutes going in and out of the house with a flashlight before officers with the KCPD showed up. After completing their investigation, it appears four unknown individuals attempted a home invasion at ACUNA's residence. ACUNA indicated they stole several of his firearms and car keys. When KCPD officers went inside ACUNA's residence, they took photos of the damage and observed several bags of suspected marijuana and a firearm sitting on the coffee table along with what appeared to be burnt marijuana roaches (common way to smoke marijuana). Police identified the firearm (AR-15 style) as a Bushmaster, model XM15-E2S, multi-caliber, rifle, bearing serial number BK5028895. ACUNA claimed the firearm was his own. Additionally, at 11:28 am, Zavala and Bonhomme pulled up to the residence in Zavala's black Dodge Charger. There were looking at the damage from the gunfire and went inside the residence for a period of time before both coming back out and leaving in the Dodge Charger at 1:44 pm. A Special Agent with the ATF later spoke with the ATF CI who advised the CI had spoken with ACUNA and ACUNA advised he didn't know who robbed him, but they took his firearms and "hard stuff." CI could not say exactly what was taken, but believed ACUNA was talking about cocaine because ACUNA primarily distributes marijuana and cocaine for Zavala.

As a result of the above activity, Law enforcement sought and received search warrants for addresses within the Western District of Missouri whereby a total of over 100 firearms (many of which having been converted to machine guns), along with MCD's, high-capacity magazines, 4.5 kilos of purported marijuana and other contraband to include over 500 grams of a mixture or substance containing a detectable amount of cocaine. Indeed, when ACUNA when was arrested at an address in the 800 block of N. Park Ave., in the Western District of Missouri, five firearms were seized including an NFA weapon/machine gun.

It should also be noted that every MCD (Swift Links for AR firearms and Glock Switches) and the firearms containing the MCDs purchased by the UC or CI from ACUNA and/or his co-defendant(s) were verified by the ATF Firearms & Ammunition Technology Division (FATD) to be machineguns. An ATF interstate nexus expert has inspected the aforementioned firearms and confirmed all were manufactured outside of the State of Missouri and accordingly were transported in interstate commerce as they necessarily crossed state lines.

4. Use of Factual Admissions and Relevant Conduct. The defendant acknowledges, understands, and agrees that the admissions contained in Paragraph 3 and other portions of this plea agreement will be used for the purpose of determining his guilt and advisory sentencing range under the United States Sentencing Guidelines ("U.S.S.G."), including the calculation of the

defendant's offense level in accordance with U.S.S.G. § 1B1.3(a)(2). The defendant acknowledges, understands, and agrees that the conduct charged in any dismissed counts of the Indictment as well as all other uncharged related criminal activity may be considered as "relevant conduct" pursuant to U.S.S.G. § 1B1.3(a)(2) in calculating the offense level for the charges to which he is pleading guilty.

5. Statutory Penalties. The defendant understands that upon his plea of guilty to Count One of the Indictment charging him conspiracy to transfer firearms when their transfer would constitute a felony, the maximum penalty the Court may impose is not more than 15 years' imprisonment, a \$250,000 fine, 3 years' of supervised release, and a \$100 mandatory special assessment per felony count of conviction which must be paid in full at the time of sentencing. The defendant further understands that this offense is a Class C felony.

The defendant further understands that upon his plea of guilty to Count Two of the Indictment charging him with conspiracy to knowingly and intentionally distribute and possess with the intent to distribute 500 grams and more of a mixture or substance containing a detectable amount of cocaine, a Schedule II controlled substance, the minimum penalty the Court may impose is no less than 5 years' imprisonment, the maximum penalty the Court may impose is not more than 40 years imprisonment, a \$5,000,000 fine, a minimum of 4 years' supervised release, and a \$100 mandatory special assessment per felony count of conviction which must be paid in full at the time of sentencing. The defendant further understands that this offense is a Class B felony.

6. Sentencing Procedures. The defendant acknowledges, understands, and agrees to the following:

a. in determining the appropriate sentence, the Court will consult and consider the United States Sentencing Guidelines promulgated by the United States Sentencing Commission; these Guidelines, however, are advisory in nature, and the

Court may impose a sentence either less than or greater than the defendant's applicable Guidelines range, unless the sentence imposed is "unreasonable";

b. the Court will determine the defendant's applicable Sentencing Guidelines range at the time of sentencing;

c. in addition to a sentence of imprisonment, the Court may impose a term of supervised release of at least 4 years;

d. the Court may impose any sentence authorized by law, including a sentence that is outside of, or departs from, the applicable Sentencing Guidelines range;

e. any sentence of imprisonment imposed by the Court will not allow for parole;

f. the Court is not bound by any recommendation regarding the sentence to be imposed or by any calculation or estimation of the Sentencing Guidelines range offered by the parties or the United States Probation Office; and

g. the defendant may not withdraw his guilty plea solely because of the nature or length of the sentence imposed by the Court.

7. Government's Agreements. Based upon evidence in its possession at this time, the United States Attorney's Office for the Western District of Missouri, as part of this plea agreement, agrees not to bring any additional charges against defendant for any federal criminal offenses related to conspiracy to possess with intent to distribute cocaine, marijuana, felon in possession of a firearm, the illegal possession of firearms and possession of a firearm in furtherance of a drug trafficking activity for which it has venue and which arose out of the defendant's conduct described above.

The defendant understands that this plea agreement does not foreclose any prosecution for an act of murder or attempted murder, an act or attempted act of physical or sexual violence against the person of another, or a conspiracy to commit any such acts of violence or any criminal activity of which the United States Attorney for the Western District of Missouri has no knowledge.

The defendant recognizes that the United States' agreement to forego prosecution of all of the criminal offenses with which the defendant might be charged is based solely on the promises made by the defendant in this agreement. If the defendant breaches this plea agreement, the United States retains the right to proceed with the original charges and any other criminal violations established by the evidence. The defendant expressly waives his right to challenge the initiation of the dismissed or additional charges against him if he breaches this agreement. The defendant expressly waives his right to assert a statute of limitations defense if the dismissed or additional charges are initiated against him following a breach of this agreement. The defendant further understands and agrees that if the Government elects to file additional charges against him following his breach of this plea agreement, he will not be allowed to withdraw his guilty plea.

8. Preparation of Presentence Report. The defendant understands the United States will provide to the Court and the United States Probation Office a government version of the offense conduct. This may include information concerning the background, character, and conduct of the defendant, including the entirety of his criminal activities. The defendant understands these disclosures are not limited to the counts to which he has pleaded guilty. The United States may respond to comments made or positions taken by the defendant or the defendant's counsel and to correct any misstatements or inaccuracies. The United States further reserves its right to make any recommendations it deems appropriate regarding the disposition of this case, subject only to any limitations set forth in this plea agreement. The United States and the defendant expressly reserve the right to speak to the Court at the time of sentencing pursuant to Rule 32(i)(4) of the Federal Rules of Criminal Procedure.

9. Withdrawal of Plea. Either party reserves the right to withdraw from this plea agreement for any or no reason at any time prior to the entry of the defendant's plea of guilty and

its formal acceptance by the Court. In the event of such withdrawal, the parties will be restored to their pre-plea agreement positions to the fullest extent possible. However, after the plea has been formally accepted by the Court, the defendant may withdraw his pleas of guilty only if the Court rejects the plea agreement or if the defendant can show a fair and just reason for requesting the withdrawal. The defendant understands that if the Court accepts his plea of guilty and this plea agreement but subsequently imposes a sentence that is outside the defendant's applicable Sentencing Guidelines range or imposes a sentence that the defendant does not expect, like or agree with, he will not be permitted to withdraw his plea of guilty.

10. Agreed Guidelines Applications. With respect to the application of the Sentencing Guidelines to this case, the parties stipulate and agree as follows:

- a. The Sentencing Guidelines do not bind the Court and are advisory in nature. The Court may impose a sentence that is either above or below the defendant's applicable Guidelines range, provided the sentence imposed is not "unreasonable";
- b. The applicable Guidelines section for the offense of conviction in Count One is U.S.S.G. § 2K2.4(a)(4), which provides for a base offense of 20;
- c. The applicable Guidelines section for the offense of conviction in Count Two is U.S.S.G. § 2D1.1, which provides for a base offense level of 24;
- d. The Government and defendant recognize that certain enhancements under the Guidelines **will** apply. There is no agreement as to those potential enhancements and the parties are free to advocate their respective positions as to any enhancements at sentencing;
- e. The defendant has admitted his guilt and clearly accepted responsibility for his actions and has assisted authorities in the investigation or prosecution of his own misconduct by timely notifying authorities of his intention to enter a plea of guilty, thereby permitting the Government to avoid preparing for trial and permitting the Government and the Court to allocate their resources efficiently. Therefore, he is entitled to a three-level reduction pursuant to § 3E1.1(b) of the Sentencing Guidelines. The Government, at the time of sentencing, will file a written motion with the Court to that effect, unless the defendant (1) fails to abide by all of the terms and conditions of this plea agreement and his pretrial release; or (2) attempts to withdraw his guilty pleas, violates the law, or otherwise engages in conduct inconsistent with his acceptance of responsibility;

f. There is no agreement between the parties regarding the defendant's criminal history category. The parties agree that the Court will determine his applicable criminal history category after receipt of the presentence investigation report prepared by the United States Probation Office;

g. The defendant understands that the estimate of the parties with respect to the Guidelines computation set forth in the subsections of this paragraph does not bind the Court or the United States Probation Office with respect to the appropriate Guidelines levels. Additionally, the failure of the Court to accept these stipulations will not, as outlined in Paragraph 9 of this plea agreement, provide the defendant with a basis to withdraw his plea of guilty;

h. The Court may impose any sentence authorized by law, including any sentence outside the applicable Guidelines range that is not "unreasonable";

i. The defendant consents to judicial fact-finding by a preponderance of the evidence for all issues pertaining to the determination of the defendant's sentence, including the determination of any mandatory minimum sentence (including the facts that support any specific offense characteristic or other enhancement or adjustment), and any legally authorized increase above the normal statutory maximum. The defendant waives any right to a jury determination beyond a reasonable doubt of all facts used to determine and enhance the sentence imposed and waives any right to have those facts alleged in the Indictment. The defendant also agrees that the Court, in finding the facts relevant to the imposition of sentence, may consider any reliable information, including hearsay;

j. The defendant understands and agrees that the factual admissions contained in Paragraph 3 of this plea agreement, and any admissions that he will make during his plea colloquy, support the imposition of the agreed-upon Guidelines calculations contained in this agreement.

11. Effect of Non-Agreement on Guidelines Applications. The parties understand, acknowledge and agree that there are no agreements between the parties with respect to any Sentencing Guidelines issues other than those specifically listed in Paragraph 10, and its subsections. As to any other Guidelines issues, the parties are free to advocate their respective positions at the sentencing hearing.

12. Change in Guidelines Prior to Sentencing. The defendant agrees that if any applicable provision of the Guidelines changes after the execution of this plea agreement, then any request by defendant to be sentenced pursuant to the new Guidelines will make this plea agreement

voidable by the United States at its option. If the Government exercises its option to void the plea agreement, the United States may charge, reinstate, or otherwise pursue any and all criminal charges that could have been brought but for this plea agreement.

13. Government's Reservation of Rights. The defendant understands that the United States expressly reserves the right in this case to:

- a. oppose or take issue with any position advanced by defendant at the sentencing hearing which might be inconsistent with the provisions of this plea agreement;
- b. comment on the evidence supporting the charges in the Indictment;
- c. oppose any arguments and requests for relief the defendant might advance on an appeal from the sentences imposed and that the United States remains free on appeal or collateral proceedings to defend the legality and propriety of the sentence actually imposed, even if the Court chooses not to follow any recommendation made by the United States; and
- d. oppose any post-conviction motions for reduction of sentence, or other relief.

14. Waiver of Constitutional Rights. The defendant, by pleading guilty, acknowledges that he has been advised of, understands, and knowingly and voluntarily waives the following rights:

- a. the right to plead not guilty and to persist in a plea of not guilty;
- b. the right to be presumed innocent until his guilt has been established beyond a reasonable doubt at trial;
- c. the right to a jury trial, and at that trial, the right to the effective assistance of counsel;
- d. the right to confront and cross-examine the witnesses who testify against him;
- e. the right to compel or subpoena witnesses to appear on his behalf; and
- f. the right to remain silent at trial, in which case his silence may not be used against him.

The defendant understands that by pleading guilty, he waives or gives up those rights and that there will be no trial. The defendant further understands that if he pleads guilty, the Court may ask him questions about the offense or offenses to which he pleaded guilty, and if the defendant answers those questions under oath and in the presence of counsel, his answers may later be used against him in a prosecution for perjury or making a false statement. The defendant also understands he has pleaded guilty to a felony offense and, as a result, will lose his right to possess a firearm or ammunition and might be deprived of other rights, such as the right to vote or register to vote, hold public office, or serve on a jury.

15. Waiver of Appellate and Post-Conviction Rights.

a. The defendant acknowledges, understands, and agrees that by pleading guilty pursuant to this plea agreement he waives his right to appeal or collaterally attack a finding of guilt following the acceptance of this plea agreement, except on grounds of (1) ineffective assistance of counsel; or (2) prosecutorial misconduct.

b. The defendant expressly waives his right to appeal his sentence, directly or collaterally, on any ground except claims of (1) ineffective assistance of counsel; (2) prosecutorial misconduct; or (3) an illegal sentence. An "illegal sentence" includes a sentence imposed in excess of the statutory maximum, but does *not* include less serious sentencing errors, such as a misapplication of the Sentencing Guidelines, an abuse of discretion, or the imposition of an unreasonable sentence. However, if the United States exercises its right to appeal the sentence imposed as authorized by 18 U.S.C. § 3742(b), the defendant is released from this waiver and may, as part of the Government's appeal, cross-appeal his sentence as authorized by 18 U.S.C. § 3742(a) with respect to any issues that have not been stipulated to or agreed upon in this agreement.

16. Financial Obligations. By entering into this plea agreement, the defendant represents that he understands and agrees to the following financial obligations:

a. The Court may order restitution to the victims of the offense to which the defendant is pleading guilty. The defendant agrees that the Court may order restitution in connection with the conduct charged in any counts of the Indictment which are to be dismissed and all other uncharged related criminal activity.

b. The United States may use the Federal Debt Collection Procedures Act

and any other remedies provided by law to enforce any restitution order that may be entered as part of the sentence in this case and to collect any fine.

c. The defendant will fully and truthfully disclose all assets and property in which he has any interest, or over which the defendant exercises control directly or indirectly, including assets and property held by a spouse, nominee or other third party. The defendant's disclosure obligations are ongoing and are in force from the execution of this agreement until the defendant has satisfied the restitution order in full.

d. Within 10 days of the execution of this plea agreement, at the request of the USAO, the defendant agrees to execute and submit (1) a Tax Information Authorization form; (2) an Authorization to Release Information; (3) a completed financial disclosure statement; and (4) copies of financial information that the defendant submits to the U.S. Probation Office. The defendant understands that compliance with these requests will be taken into account when the United States makes a recommendation to the Court regarding the defendant's acceptance of responsibility.

e. At the request of the USAO, the defendant agrees to undergo any polygraph examination the United States might choose to administer concerning the identification and recovery of substitute assets and restitution.

f. The defendant hereby authorizes the USAO to obtain a credit report pertaining to him to assist the USAO in evaluating the defendant's ability to satisfy any financial obligations imposed as part of the sentence.

g. The defendant understands that a Special Assessment will be imposed as part of the sentence in this case. The defendant promises to pay the Special Assessment of \$200 by submitting a satisfactory form of payment to the Clerk of the Court prior to appearing for the sentencing proceeding in this case. The defendant agrees to provide the Clerk's receipt as evidence of his fulfillment of this obligation at the time of sentencing.

h. The defendant certifies that he has made no transfer of assets or property for the purpose of (1) evading financial obligations created by this Agreement; (2) evading obligations that may be imposed by the Court; nor (3) hindering efforts of the USAO to enforce such financial obligations. Moreover, the defendant promises that he will make no such transfers in the future.

i. In the event the United States learns of any misrepresentation in the financial disclosure statement, or of any asset in which the defendant had an interest at the time of this plea agreement that is not disclosed in the financial disclosure statement, and in the event such misrepresentation or nondisclosure changes the estimated net worth of the defendant by ten thousand dollars (\$10,000.00) or more, the United States may at its option: (1) choose to be relieved of its obligations under this plea agreement; or (2) let the plea agreement stand, collect the full forfeiture,

restitution, and fines imposed by any criminal or civil judgment, and also collect 100% (one hundred percent) of the value of any previously undisclosed assets. The defendant agrees not to contest any collection of such assets. In the event the United States opts to be relieved of its obligations under this plea agreement, the defendant's previously entered pleas of guilty shall remain in effect and cannot be withdrawn.

17. Waiver of FOIA Request. The defendant waives all of his rights, whether asserted directly or by a representative, to request or receive, or to authorize any third party to request or receive, from any department or agency of the United States any records pertaining to the investigation or prosecution of this case including, without limitation, any records that may be sought under the Freedom of Information Act, 5 U.S.C. § 552, or the Privacy Act of 1974, 5 U.S.C. § 552a.

18. Waiver of Claim for Attorney's Fees. The defendant waives all of his claims under the Hyde Amendment, 18 U.S.C. § 3006A, for attorney's fees and other litigation expenses arising out of the investigation or prosecution of this matter.

19. Defendant's Breach of Plea Agreement. If the defendant commits any crimes, violates any conditions of release, or violates any term of this plea agreement between the signing of this plea agreement and the date of sentencing, or fails to appear for sentencing, or if the defendant provides information to the Probation Office or the Court that is intentionally misleading, incomplete, or untruthful, or otherwise breaches this plea agreement, the United States will be released from its obligations under this agreement. The defendant, however, will remain bound by the terms of the agreement, and will not be allowed to withdraw his plea of guilty.

The defendant also understands and agrees that in the event he violates this plea agreement, all statements made by him to law enforcement agents subsequent to the execution of this plea agreement, any testimony given by him before a grand jury or any tribunal or any leads from such statements or testimony shall be admissible against him in any and all criminal proceedings. The

defendant waives any rights that he might assert under the United States Constitution, any statute, Rule 11(f) of the Federal Rules of Criminal Procedure, Rule 410 of the Federal Rules of Evidence, or any other federal rule that pertains to the admissibility of any statements made by him subsequent to this plea agreement.

20. Defendant's Representations. The defendant acknowledges that he has entered into this plea agreement freely and voluntarily after receiving the effective assistance, advice, and approval of counsel. The defendant acknowledges that he is satisfied with the assistance of counsel, and that counsel has fully advised him of his rights and obligations in connection with this plea agreement. The defendant further acknowledges that no threats or promises, other than the promises contained in this plea agreement, have been made by the United States, the Court, his attorneys, or any other party to induce him to enter his plea of guilty.

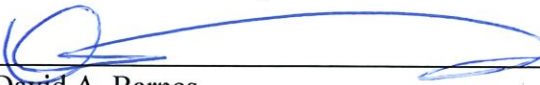

21. No Undisclosed Terms. The United States and defendant acknowledge and agree that the above-stated terms and conditions, together with any written supplemental agreement that might be presented to the Court in camera, constitute the entire plea agreement between the parties, and that any other terms and conditions not expressly set forth in this agreement or any written supplemental agreement do not constitute any part of the parties' agreement and will not be enforceable against either party.

22. Standard of Interpretation. The parties agree that, unless the constitutional implications inherent in plea agreements require otherwise, this plea agreement should be interpreted according to general contract principles and the words employed are to be given their normal and ordinary meanings. The parties further agree that, in interpreting this agreement, any

drafting errors or ambiguities are not to be automatically construed against either party, whether or not that party was involved in drafting or modifying this agreement.
